2019 TCS New York City Marathon

Date of Race: November 3, 2019

Fundraising Minimum: \$3,500

I understand and agree that if I do not raise 50% of the Fundraising Minimum (\$1,750) by September 1, 2019 (the NYRR registration deadline), I authorize the ASPCA to charge my credit card listed on the Credit Card Recommitment Form the difference between the amount that I have raised by September 1, 2019 and the amount of 50% of my commitment. I understand and agree that if I do not raise the applicable full Fundraising Minimum (\$3,500) by October 13, 2019, I authorize the ASPCA to charge my credit card listed on the Credit Card Recommitment Form the difference between the amount that I have raised by October 13, 2019 and full Fundraising Minimum. I understand and agree that my donation is non-refundable.

ALL PARTICIPANTS: I understand and agree to pay the nonrefundable \$75.00 application fee, due upon registration, which **does not count** towards the minimum fundraising goal that I have agreed to fundraise in support of the ASPCA. If submitted by check, a \$25 fee will be assessed for returned checks.

Every team member who registers and completes this recommitment form is committed to reaching their fundraising minimum by the deadline regardless of any situation that may arise. Once committed, there is no cancellation or refund policy.

CREDIT CARD GUARANTEE – REQUIRED FOR ALL PARTICIPANTS: you hereby authorize the ASPCA to charge the card provided below if you do not meet 50% of your fundraising goal (\$1,750) by September 1, 2019 and/or the full amount of the fundraising goal (\$3,500) by October 13, 2019. *Please note: the ASPCA will not charge any amount to your card without contacting you prior to charge date.*
