Why Spay or Neuter your pet?

- Neutering male cats makes them less likely to spray & mark territory

- Spayed females will not go into heat/estrus

- Spaying or neutering may prevent certain types of cancer

- Spaying or neutering helps reduce the number of animals

* Pet owner must be a New York City resident. Must present photo ID & proof of one of the following: Resident of public housing in (NYCHA rent bill or Section 8 voucher/letter), Medicaid or Health Plus, Medicare, SSI, Disability/SSD, Welfare, TANF, or Food Stamps.

Present this voucher along with photo ID and proof of income eligibility for **FREE* SPAY/NEUTER** surgery on any ASPCA Mobile Spay/Neuter Clinics in Manhattan, Queens or Staten Island.
