or call **(877) SPAY-NYC**

Why Spay or Neuter your pet?

- Neutering male cats makes them less likely to spray & mark territory
- Spayed females will not go into heat/estrus
- Spaying or neutering may prevent certain types of cancer
- Spaying or neutering helps reduce the number of unwanted animals

* Pet owner must be a resident of Queens. Must present photo ID & proof of one of the following: Resident of public housing in Queens (NYCHA rent bill or Section 8 voucher/letter), Medicaid or Health Plus, Medicare, SSI, Disability/SSD, Welfare, TANF, or Food Stamps.

Present this voucher along with photo ID and proof of income eligibility for FREE* SPAY/NEUTER surgery on any ASPCA Mobile Spay/Neuter Clinic
